SCHEDULE

The area comprised within the following boundaries - Starting at the mouth of the Moustache River in a straight line to Poulalier Triangulation Station and then in a straight line to the highest point of Bernard Hill (U.T.M. Co-ordinates E 322760, N4988810); from here in a straight line to the highest point on Six Penny Hill and then to the northernmost point of State Land as defined in TB10, No. 113. Thence along a

line as defined by old TB plans and modern cadastral surveys to a point east of Les Trois Freres on the surveyed boundary defined in TB10, No.100. The exact point can be defined by the intersection of this boundary and the westward extension of the boundary between properties defined in TB19 No.40 and TB15 No. 20. Then along a line defined in cadastral folio VD431 to BCNF and from this point in a straight line to beacon J981 as defined on cadastral folio VD970; it then follows this boundary westwards, as defined in VD970 and then along the westward extension of this boundary to a point on the eastern side of the forestry road, thence along this edge of road to beacon NP23, and then in a straight line to beacon CD80 at the visible source of the Quenet River. It then follows a straight line to beacon NPS 1 situated on the old Foret Noire Road. Then along the western edge of this road southwards and then westwards to beacons F and A as defined on TB21 and 59 then to beacons A and B as defined on TB22 No. 10. (Beacon B is also named BCN C on the cadastral survey of parcel V43). Then following the eastern, northern and western boundaries of parcel V43 to BCN H of the same parcel and then along the production of the boundary through BCN H across the Sans Souci Road to its southern edge and then along this edge until it reaches the boundary of parcel V812 and then around the southern boundary of this property to rejoin the road. Then following the edge of the road to the boundary of V797 following the northern, western and southern perimeter of the block, formed by parcels V797 and V798 to rejoin the main road. It then follows the edge of the road northwards for a short distance to strike the boundary line defined in TB23 No.25 at the point where the western edge of the road intersects the line between beacons C and D on this plan. It continues from this point to D M and G as defined on TB23 No.25 to reach X on TB23 No.26 (also shown as X on the cadastral survey of parcel V130) and then to R,T and U, all defined on the folio of parcel V130 and then southwards along the boundary line defined in the cadastral folio VD1000 to the beacon AX3 of parcel V255 and then along the western boundary of the Fair View Estates to beacon AH77 of parcel V204. Turning southwards, it passes through beacons M827 and M828 of parcel B65 and then follows the boundary defined in cadastral folio BD184 to a point D, common to BD184 and parcel B75. It then follows the northern, western and southern boundaries of parcel B75 to a beacon MB825, then in a straight line from MB825 to beacon AF70 of parcel B17 and then southwards along the boundaries of parcels B17 and B18 (the eastern edge of the Old La Misere Road) to where the old road meets the northern edge of the new La Misere Road (theoretical point 'g' of parcel B18). From this point g, it runs southwards along the western edge of the La Misere Road to reach parcel B 8B and then follows the line of

beacons AF42, AF43, AF45, of parcel B 8B back to the northern edge of the road at the theoretical point C of the same parcel. It then follows westwards and southwards along the edge of the edge of the road until it reaches parcel B70 and then along the northern and western boundaries of this parcel back to the northern edge of the La Misere Road at the theoretical point b of parcel B70. It now runs westwards along the La Misere Road to a theoretical point TH 1 (U.T.M Co-ordinates, E328,590 N9,483,440) then in a straight line to the southernmost point of the Tea Estate defined on TB23 No.65 then along the western boundary of this estate to its westernmost point. It then follows the Forest Reserve boundary westwards to a point defined on TB15 No.87 approximately 330 metres north of the main road between Port Glaud and Grand Anse. It then runs northwards along the boundary defined in TB15 No.87 to its northernmost point C. Then to beacon D and C of parcel B4 and then in a straight line to A, the easternmost point of the boundary line defined in cadastral folio BA/2 and then in a northwesterly direction on a straight line to a theoretical point TH2 (U.T.M. Co-ordinates, E325,790, N9485,280) which lies on the northwest boundary of the area of land defined in TB14 No.242 approximately 350 metres from beacon MA561 of parcel B36. It then runs along the northern boundary of parcel B36 to MA559 and then in a straight line to MA529 of parcel J145 and then to MA 526 of the same parcel. It then runs northwestwards along the boundary defined by the cadastral folio JD171 to M218 of parcel J86. It then follows the surveyed boundary of parcel J86 through beacons M239, M196, M216, M202, M235 and M111 to the sea. It then follows the foreshore in a clockwise direction back to the starting point at the mouth of the Moustache River.

The area so enclosed is 7525 acres in size and is represented on a plan deposited in the office of the Director of Surveys and filed as ML/ADN/33.

Starting at the North West extremity of a disused oil pipeline by the west coast of Ste. Anne Island (E 333 160, N 949 1180) then following along the reef in a north easterly direction for a distance of approximately 750 metres to a point (E 333 600, N 949 1730) which is approximately 50 metres north west of the northern tip of a rocky headland on the west side of Anse Cabot. The boundary then follows south east for a distance of approximately 50 metres to the said rocky headland (E 333 640, N 949 1700) then follows in a south westerly direction, along the high water mark until it reaches the above mentioned pipe line at a point (E 333 450, N 949 0820) which is near the vicinity known as Admiralty Area. Thence following North west along the pipe line for a distance of approximately 480 metres, the boundary reaches the starting point.

Area No. 3

An area of approximately 32 acres bounded by the following:-

Starting at the high point approximately in the centre of Moyenne Island (E 334 610, N 9 489 450) being the more northerly of two small hills the boundary follows a straight line due west for a distance of 510 metres to a point on the reef (E 334 100, N 9 489 450) then follows the reef in a curved line for a distance of approximately 1275 metres to a point (E 335 020, N 9 489 450) which is approximately 410 metres due east of the starting point. The boundary then follows in a straight line due west back to the starting point.

Area No. 4

A circular area of approximately 25 acres, having a radius of 180 metres and whose centre is at a point (E 333 590, N 9 489 200) approximately 450 metres due west of the highest point on Round Island.

Area No. 5

A circular area of approximately 48 acres, having a radius of 250 metres, and whose centre is at a point (E 332 960, N 9 488 920) approximately 400 metres due north of the most northerly tip of Cerf Island.

Area No. 6

A circular area of approximately 31 acres having a radius of 200 metres, and whose centre is at a point (E 332 550, N 9 488 370) approximately 280 metres on a true bearing of 295° from a Survey Trigonometrical Station known as "Calais". This Trigonometrical Station is on the west coast of Cerf Island and is marked by a metal tripod, surmounted by a red and yellow diamond, whose centre is approximately 3 metres above ground level.

Area No. 7

A circular area of approximately 17 acres having a radius of 150 metres whose centre is at a point (E 332 250, N 9 488 660) approximately 700 metres on a True bearing of 307° from the Survey Trigonometrical Station known as "Calais" as described in area No.6.

The areas described above are shown coloured green on a map at scale 1:10,000 numbered 1/39 and lodged in the office of the Chief Surveyor, and registered in Register No. A35 No. 3554 on 23rd May, 1973.

PART I - PRELIMINARY

Citation. 1 These Regulations may be cited as the National Parks (Port Launay Marine) Regulations.

Interpretation. 2 In these Regulations, unless the context otherwise requires:

"anchor" means a device or a combination of devices used or

which may be used for securing a craft in a fixed position in relation to the sea-floor;

"Commission" means the Seychelles National Environment Commission established under section 3 of the Act (but subject to section 12 of the Act);

"craft" includes any kind of boat or water craft, but does not include a craft while engaged in saving life or proceeding to or coming from anywhere to save life;

Cap. 77 "explosives" has the meaning assigned in section 2 of the Explosives Act;

"foreshore" means the area between high and low water marks;

S.I. 56 of 1979. (Cap 141 Sub. Leg.) "National Park" means the Port Launay Marine National Park as designated in the National Parks (Port Launay Marine) (Designation) Order.

"paragliding" means a water sports activity whereby a person harnessed to a specially constructed parachute is made airborne by being pulled behind a motor boat on the end of a tow-line;

"spear-gun" means a device or instrument designed to propel a missile under water for the purpose of catching, injuring or killing any aquatic organism;

"water-ski" includes an aquaplane or similar device.

Other laws. 3(1) Nothing in these regulations shall prevent or interfere with -

(a) residents of land adjoining the National Park having reasonable access to their property;

(b) the Harbour Master or Department of Health

performing any act which they may consider necessary to public safety or public health, provided that such act is not performed without prior consultation with the Commission.

(2) These regulations shall be in addition to and not in derogation of any regulations in force relating to harbours or territorial waters.

PART II - USE OF CRAFT

- Water-skiing, paragliding etc. 4 No person shall, without the prior written consent of the Commission, use or cause or permit to be used in the National Park -
- (a) a surf board;
 - (b) a water-ski;
 - (c) paragliding equipment; or
 - (d) a craft to water-ski or paraglide.
- Reckless use of craft. 5 No person shall use a craft in the National Park
- (a) recklessly; or
 - (b) at a speed or in a manner which is dangerous to another person; or
 - (c) without due care and attention.
- Anchoring. 6(1) Notwithstanding Regulation 7, but subject to sub-regulation (2), a craft may be secured by an anchor to the sea-floor in the National Park.
- (2) Notwithstanding sub-regulation (1), but subject to Regulation 15, no person shall in the National Park use or cause or allow to be used an anchor so as to disturb or damage coral.

PART III - PRESERVATION OF ENVIRONMENT

Damage or disturbance to sea-floor.

7 Subject to Regulations 9, 12, 13 and 15, no person shall, in the National Park,

- (a) damage or disturb a sandbank, reef, rock or area of the sea-floor or foreshore; or
- (b) kill, capture, take or wilfully injure by any means any wild life whether vertebrate or invertebrate and whether alive or dead; or
- (c) remove for any purpose humus, soil, sand, mud, gravel, rock, coral or reef debris from the sea-floor or foreshore.

Ban on having mollusc, shell or coral.

8 Subject to Regulations 9 and 15, no person in the National Park shall have in his possession, whether obtained in or outside the National Park, a mollusc, or shell of a mollusc, or any coral.

Collection of shellfish by residents.

9 Notwithstanding Regulations 7 and 8, a resident of land adjoining the National Park may collect and take from the foreshore adjoining his land the following shell-fish -

bernique	bigorneau
hache d'armes	oyster
palourde	tec-tec.

PART IV - LITTER AND POLLUTION

Litter and pollution.

10(1) Subject to Regulation 15, no person shall in the National Park throw down, drop, leave or otherwise deposit any thing or substance so as to deface by litter or pollute the National Park.

(2) No person shall outside the National Park throw down, drop, leave or otherwise deposit any thing or substance so as to cause or

contribute to the defacement by litter or pollution of the National Park.

(3) Notwithstanding sub-regulation (1), a person in the National Park may deposit litter in litter bins provided by the Commission.

(4) In addition to any penalty imposed under Regulation 17, a person contravening this Regulation may be ordered by the court to pay any costs incurred by the Commission in restoring any part of the National Park affected by the defacement or pollution caused by that person.

PART V - FISHING EQUIPMENT

Ban on fishing equipment.

11(1) Subject to Regulations 12, 13 and 15, no person in the National Park shall bring into, or have in his possession in, the National Park -

- (a) a spear-gun or harpoon;
- (b) a net which is not licensed under Regulation 12;
- (c) a casier or a handline which is not licensed under Regulation 13;
- (d) other equipment designed for or which may be used to contravene Regulation 7(b);
- (e) any explosives, explosive device or firework; or
- (f) a poisonous substance.

(2) Notwithstanding sub-regulation (1), a craft in the National Park which -

- (a) enters for reasons of safety; or

(b) in passing through to reach fishing grounds outside the National Park,

may carry or retain any equipment or substance specified in sub-regulation (1) if it is not in a state ready for use.

Licences for nets.

12(1) Subject to this Regulation, the Commission may licence the use of nets in the National Park for fishing and for retaining fish in temporary holding facilities.

(2) The Commissioner may in its discretion limit the number of licences.

(3) The Commission may impose general or special conditions on a licence and shall make it a condition of each licence that the nets are not used so as to endanger or hinder other users of the National Park.

Licences for casiers and hand-lines.

13(1) Subject to this Regulation, the Commission may licence the use by residents of land adjoining the National Park of casiers and handlines for obtaining fish in the National Park.

(2) The Commission may in its discretion limit the number of licences.

(3) The Commission may impose general or special conditions on a licence and shall make it a condition of any licence for a casier that each casier is marked with the licence number of the owner.

(4) Notwithstanding the terms of any licence issued, the Commission may by notice in the Gazette prohibit the use of licensed casiers or handlines in specified areas in the National Park.

(5) The Commission may remove and dispose of as it thinks fit a casier found in the National Park which is -

- (a) not marked with a licence number of a current licence; or
- (b) is in an area prohibited under sub-regulation (4).

PART VI - MISCELLANEOUS

Fees and charges.

14(1) The Commission may in its discretion impose a fee or charge of a maximum of R. 100 for -

- (a) entry into the National Park;
- (b) licences under Regulations 12 or 13;
- (c) the performance of acts in the National Parks; or
- (d) services provided by it.

(2) The Commission shall give notice in the Gazette of fees or charges imposed under sub-regulation (1).

Authorised exemptions.

15 The Commission may authorise in writing the doing of anything in the National Park which would otherwise contravene Regulations 6, 7, 8, 10 or 11 and may in its discretion impose general or special conditions on that authorisation.

Boarding of craft.

16(1) An officer or agent of the Commission or a police officer may at any time board and inspect a craft in the National Park where he has reasonable grounds to suspect that the craft or a person in the craft is contravening these Regulations.

(2) No person shall prevent, hinder or obstruct boarding or inspection under sub-regulation (1).

Litter and pollution.

8(1) Subject to Regulation 10, no person in the Reserve shall throw down, drop, leave or otherwise deposit anything or substances so as to deface by litter or pollute the Reserve.

(2) No person shall outside the Reserve throw down, drop, leave or otherwise deposit anything or substance so as to cause or contribute to the defacement by litter or pollution of the Reserve.

(3) In addition to any penalty imposed under Regulation 15, a person who contravenes this Regulation may be ordered by the court to pay the whole or any part of any costs incurred by the Foundation in restoring any part of the Reserve affected by the defacement or

pollution caused by that person.

PART III - MISCELLANEOUS

- Fees and charges. 9(1) The Foundation may, with the agreement of the Commission, impose a fee or charge of a maximum of R.100 for -
- (a) entry into the Reserve;
 - (b) the performance of acts in the Reserve; or
 - (c) services provided by it in relation to the Reserve.
- (2) The Foundation shall give notice in the Gazette of fees or charges imposed under sub-regulation (1).
- Authorised exemptions. 10 The Foundation may, with the agreement of the Commission, authorise in writing the doing of anything in the Reserve which -
- (a) would otherwise contravene Part II of these Regulations;
 - (b) is otherwise lawful; and
 - (c) is in furtherance of -
 - (i) the better management of the Reserve; or
 - (ii) scientific research in the Reserve; or
 - (iii) the purposes of the Act and these Regulations,
- and may in its discretion, for the better management of the Reserve, impose general or special conditions on that authorisation.
- Restrictions on entry etc. 11(1) The Foundation may, with the agreement of the Commission,
- (a) close the whole or any part of the Reserve to public access;

- (b) prohibit craft not authorised by the Warden from entering or being in the Reserve;
- (c) indicate days or times when the public may land on the Reserve;
- (d) in its discretion impose restrictions on public access in furtherance of better wildlife management in the Reserve.

(2) The Foundation shall give notice in the Gazette of restrictions imposed under sub-regulation (1).

Directions of Warden etc.	12	A person in the Reserve shall comply with any direction given by the Warden or by an officer of the Foundation on his behalf.
Boarding of craft.	13	The Warden or an officer of the Foundation or a police officer may at any time board and inspect a craft in the Reserve where he has reasonable grounds to suspect that the craft or a person in the craft is contravening the Act or these Regulations.
